## **Reports**

1. Joel-His big goal this year is to obtain NQL for the second straight year.
2. Ryan-Needs help with the “Edson Extravaganza”
3. John-Before the Ordeal, we will need to contact people about being an Elangomat for the Ordeal. We will also need work projects, member and candidate. Possibly have a list of projects
4. Josh-For our next fellowship, we will probably go on a canoeing trip down the Sabine River on the Saturday of the fellowship, but we will camp at Camp Edgewood. We will need to PLAN AHEAD. We will need tour permits, health forms, etc.
5. Jeremi-We want to reduce the newsletter size to one or two pages and encourage website use to become more cost efficient in mail outs.
6. David-He explained what he wanted to do this year with the dance team.
7. Hunter-He also explained what he wanted to do this year with the dance team.
8. Kete-We need to get in contact with Randall about a cross over ceremony for a cub scout pack on February 6<sup>th</sup>
9. Ryan G-He needed to get Jared’s phone number and get the Where to Go Camping booklet.

## **Conclave Fellowship**

We need to have ideas about fellowship for SR-1A Conclave. Options for the “Edson Extravaganza” are lodge ball, a geo-cache (Flash agreed to help with this), high five coupons for Daniel, being able to use the climbing tower and the pool, carnival games (such as: dart throw, ring toss, baseball throw, horseshoes, etc.)

## **Advisors Minute**

Once we have planning of events, we will achieve what we want to do. We are here for the Lodge, we are here to serve, and we need to try to get members active. We have a great group of youth in the LEC and we have the possibility to have a great year.
