LEC Meeting

Officer Reports

1. John: Has schedule together for Ordeal. He moved some times around in the afternoon because of daylight savings. He also came up with a menu.
Candidate Projects: Clear gravel pit, sweep roof, clear trails, repair chapel dock, replace wood on Scout Law benches. Member projects are cleaning the Quartermaster building, finishing painting the OA Pit, and OA ring projects. The quartermaster building work was mentioned and it was stated that it should only be as a last resort. Elangomat training is August 14 and the time is 8 A.M. to around 2 P.M.
2. Hunter: Sent a text to a few people around a month ago, and explained he was going to shrink the team to just individual.
3. Jeremi: Just sent out the latest newsletter. It was small and concise, but the next newsletter can be more like the first, if he gets more articles on time.
4. Ryan: Looking forward to the next Ordeal after a great year of elections and after a successful tapout. Conclave will be April 8-10, COC October 16, and Commanche Lodge will be hosting the WLE. We need a chaperone for the COC in October and it will probably be Donn E. Dees.
