

Quelqueshoe Lodge

March 28, 2010

Reports

1. Josh-The fellowship will be a fellowship/one-day-of service. On May 15, the lodge will do some kind of one day of service and then participate in an activity such as bowling or laser tag
2. Hunter-He will let the dance team know when their practice will be.
3. John-We just had a very successful Ordeal. We completed a tremendous amount of service projects. It was very successful, but still has room for improvement. Widely agreed upon that he did a great job during the weekend.
4. Jeremi-He is finished with the newsletter besides a few things, and just after the New Member Orientation, three new members volunteered to be apart of the committee.
5. Jared-He met with Flash, and is going to start in “full-swing” on Monday after he goes to the Scout office and gets a copy of the scoutmaster contact information.
6. Kete-He explained the past two crossover/arrow of light ceremonies that the lodge just put on.

One-Day Service/Fellowship

The fellowship has been moved to the one-day of service, and it would be shortened to a one-day event. Justin is looking for projects that the lodge could do in the city of Lake Charles. It would start around 7:00 or 7:30 and end around 8:00 at night. It is a great chance to get publicity for the lodge and for scouting.

Conclave

April 16-18 is the conclave weekend. Our lodge is responsible for the “Edson Extravaganza” on Saturday night. We need to order all of the supplies that we need for the weekend. Apparently, the section will have a “fun jump”. Make payments at the scout office before April 9. Health forms will be needed for the weekend. We need to come up with what we are doing about t-shirts. The last shirts were done at t-shirt warehouse in Lake Charles. We are going to have to have people to build the games and figure out a way to transport them to camp V-BAR. We are going to have to have people working shifts. Mr. Jody will bring a burner to make beignets on Saturday. Mrs. Pam could possibly make cookies for us. (Oh Yeahh)

- Competitions-Newsletter and the Where to Go Camping Book competitions are still open, and ceremonies is closed.
- We will have to bring our own tents to the campsite.
- A decision needs to be made about what time we will meet in Lake Charles and what time we will leave, etc.
- Transportation information NEEDS to be sent out.
- Money for fuel, eating, and other wants/needs need to be brought

Summer Camp OA Day

Everyone should wear class-a uniforms and sashes on OA Day. We will need a team to serve the ice cream that night, and to clean up afterwards. We could possibly give money to the council to buy it, if Flash cannot get it donated.

Mr. Kevin would like a group to come to camp and clean out the Quartermaster building sometime before summer camp.

SSC

Start

1. Better preparation before ceremonies.
2. Members and candidates need to start mingling before the Pre-Ordeal ceremony.
3. Setting up for the Pre-Ordeal ceremony when we get to camp.
4. Start doing registration in the Camp Office.
5. Start following time schedules and deadlines we set.

Stop

1. Avoid doing other ceremonies the night of the Pre-Ordeal without being fully prepared.
2. Stop mingling around the registration table during registration.

Continue

1. Continue the cracker-barrel on Saturday night
